

## **DR PAUL MORRIS**

*BChD Cert Endo*

Paul is originally from Nottingham and first came to Yorkshire to attend University of Leeds Dental School in 2001. He graduated in 2006 and since then has worked in two successful mixed NHS/Private practices, in the North Leeds area. Paul is committed to post graduate education and in 2008 completed a year long restorative and cosmetic dentistry course at the North of England Dental Academy. In 2010 he completed a certificate in endodontology at the University of Chester, which he passed with merit. Earlier in the year he has returned from a years sabbatical in which he worked in private practice in Sydney Australia. Later this year he is attending a facial aesthetics course to be able to provide wrinkle relaxing treatments and dermal fillers.

Outside of work Paul is a keen field hockey player representing Boston Spa 1st XI. He attends Cross fit gym and loves his snow sports.
